**BEAUFORT:** The Domestic Trade and Consumer Affairs Ministry (KPDNHEP) Beaufort Division Chief Fikri Lai Abdullah is on transfer to Sarawak beginning June.

He is promoted to Sarawak KPDNHEP Deputy Chief Enforcement Officer. His position will be taken over by Julie Julhani.

Fikri had served here for one year and eight months. He hoped enforcement operations would continuously be conducted in an aggressive manner in order to protect consumers, at the handover of duties.

Fikri also extended appreciation to Daily Express for providing publicity regarding KPDNHEP Beaufort's activities during his service.

"Daily Express has been active in providing coverage on our enforcement activities and Beaufort division consumer programmes," he said.

He hoped the new division chief would continue to collaborate with the paper.
