KUALA LUMPUR: A total 2.9 million of Bantuan Sara Hidup (BSH) recipients from the B40 group who qualify for the Petrol Subsidy Programme (PSP) can check their eligibility through the psp.kpdnhep.gov.my portal starting today.

Domestic Trade and Consumer Affairs Minister, Datuk Seri Saifuddin Nasution said those whose names had been left out could add them in through the appeals function in the portal.

He said the data of PSP recipients from the B40 group was based on the BSH recipients' basic data obtained from the Finance Ministry, and cross-checked with the data on vehicle ownership from the Road Transport Department (RTD).

"The cross-check were conducted based on the qualified vehicle ownership criteria for PSP aid. As a result of this cross-check, the ministry has identified 2.9 million recipients of PSP from the B40 group who qualify for the subsidy.

Nevertheless, I wish to stress that this data still requires improvements and appeal to the people in category B40 to check their status," he said in a statement here today.

He said if there were those who were from groups who were qualified for BSH and owned vehicles as stipulated in the PSP criteria but had yet to register with BSH, they were asked to promptly register with the BSH programme with the Finance Ministry.

"If you are a recipient of BSH but had just bought a vehicle which meets the condition set, please register your vehicle with the RTD and make a fresh application in the PSP portal," he said.

He, nevertheless, reminded that the status check today had yet to include those groups who were not recipients of BSH which was announced by the Finance Minister Lim Guan Eng in his 2020 Budget speech.

"The process and new application date for PSP recipients from the groups who are not receiving BSH will be announced after details of its implementation is scrutinised jointly with the Finance Ministry," he said.
