

**PSP LIST TO BE OUT
IN FEBRUARY**

KUALA LUMPUR: The Domestic Trade and Consumer Affairs Ministry expects to release the final list of recipients for the petroleum subsidy programme (PSP) in February, said its deputy minister Chong Chieng Jen. The ministry will make an announcement on the matter through an official statement after the data filtering process has been completed. "Based on data received for the Bantuan Sara Hidup welfare programme, cross-checked against vehicle ownership data from the Road Transport Department, some 2.9 million individuals are eligible for aid under the programme," he said yesterday at the Dewan Negara. - Bernama
