

SAIFUDDIN SAYS 'NO CHOICE' BUT TO SUE ZURAIDA

PKR SECRETARY-GENERAL Datuk Seri Saifuddin Nasution Ismail said he had to sue party vice-president Zuraida Kamaruddin for claiming he accepted funds meant for Kelantan.

Saifuddin pointed out that this was the first time he was suing for defamation in his entire political career of nearly 30 years.

"But when it comes to a level where the accusation was very harsh and rude then I have no other choice.

"This is something between Saifuddin and Zuraida and not between the domestic trade and consumer affairs minister and the housing and local government minister," *Malay Mail* quoted him as saying.
