

SAIFUDDIN TAKES A SWIPE AT HADI FOR SUPPORTING DR M

DOMESTIC TRADE and Consumer Affairs Minister Saifuddin Nasution has taken a swipe at PAS president Abdul Hadi Awang's reported stand in supporting calls for Dr Mahathir Mohamad to remain as prime minister until Pakatan Harapan's term in office ends.

In a statement to *Malaysiakini*, the PKR secretary-general said all PH leaders had, prior to the 14th general election, supported Mahathir's leadership.

"This is in contrast to Hadi, who only saw the good in Tun (Dr Mahathir Mohamad) after his beloved kleptocratic leader lost power.

"In fact, Hadi at that time viewed Tun as only being capable of running a clinic and not the country."

"There is no need for Hadi to act like a hero (now) and teach PH leaders how to swim."
